Consider the investment objectives, risks, and charges and expenses carefully. For this and other information about AIM Funds, obtain a prospectus from your financial advisor and read it carefully before investing.

The AIM variable insurance funds are used solely as investment vehicles by insurance company separate accounts to fund variable annuity contracts and variable life insurance policies. Shares of the funds cannot be purchased directly. Expenses and fees are determined by the offering insurance company and will vary. Invesco Aim Distributors, Inc. does not offer any variable products.

Consider the investment objectives, risks, and charges and expenses carefully. For product and underlying fund prospectuses containing this and other information for any variable annuity or variable life product that invests in the AIM variable insurance funds, contact the offering insurance company. Not all funds and classes are available in all products. Investors should read the prospectuses carefully before investing.
